## VENUE

The 2018 Perth Garden Festival will be held at McCallum Park, Victoria Park on Thursday 12th to Sunday 15th April. With its central and easily accessible location, located off Canning Highway on Taylor and Garland Street, McCallum Park will transform into a colourful and vibrant outdoor festival.

## NURSERY SITES

The Perth Garden Festival is owned by the Nursery and Garden Industry of Western Australia (NGIWA). As its flagship event, NGIWA allows for exhibitors selling and displaying 'green life' to access sites at a heavily subsidised rate. Furthermore, current NGIWA Members are provided with a significant discount on this already reduced site fee.

10x10m nursery sites are being subsidised in the amount of \$4,667 + GST on the standard 10x10m rate. There are a number of conditions that are applicable to securing the reduced nursery rate:

- The site fee is applicable to the sale of 'green life' produce ONLY [includes seeds and bulbs]
- Should you wish to stock 'other' products, you must list the square meters to be allocated to this stock and the items intended to be sold. This space will be charged out at the standard retail rate for a 10x10m site as determined by event organisers
- Each nursery site is to be created in the form of a display, and must add to the aesthetic nature of the event. All sites will be submitted for judging, with the 'Best Nursery Display' being a judged competition in 2018
- Each nursery must have a minimum of 1 significant show special that can be used for advertising purposes by event organisers and NGIWA. These must be provided to event organisers no later than January 31, 2018.

## PARCEL PICK UP

Parcel pickup is a complimentary service which provides a collection location for customers of exhibitors. This is intended for large items only. Upon the exhibitor's request, our volunteers will collect the purchased product and deliver it to the parcel pickup location (Garland Street) for collection. A manual receipt process is required to be completed by the exhibitor in order to track the items and correctly distribute them to the customers.

The service has experienced wonderful reviews and very few customer related issues over the last 3 years at McCallum Park. It is our intention to maintain the service as complimentary to exhibitors at this time.

*Please Note:*

*This is an 'ALL CARE, NO RESPONSIBILITY' service that is operated by volunteers and casual staff. Parcel pickup staff will use best endeavours to distribute the correct products to the correct customer, but takes no responsibility for lost, stolen, damaged or misrepresented items. Should items go missing, it is the responsibility of the exhibitor to replace the items or find a suitable solution for their customer.*

In the event of cancellation the provisions of clause 2 will apply.
